Referral for Residency from the Applicant's Treatment Team

Applicant's Name _____

Address _____ City _____ State _____ Zip _____

Gender: _____ Marital Status _____ Date of Birth ____/____/____

Applicant's Parent(s), Guardian(s), or Spouse: *(Please circle one)*

Address _____

City _____ State _____ Zip _____

Cell Phone _____ Home Phone _____

I. Psychiatric Profile. Please attach all relevant records, psycho-social summaries and discharge summaries. Please also have the applicant sign and send authorization forms to relevant agencies/hospitals, asking that they send care summaries to us. *(The applicant's physician must fill out this section.)*

Applicant's Diagnosis:

Please submit a detailed, current psychiatric evaluation and prognosis, along with an overview of the applicant's psychiatric, social, educational, and work history.

Describe History with Individual:

What is your **Assessment** about whether or not the applicant is currently at risk of suicide or inclined in any way to be destructive or abusive toward him or herself or others? Be specific as well about the history of such behavior.

Is the applicant able to be responsible for their own behavior and safety in an open rural environment? Our residents come with a willingness to participate and engage in programming and our campus is not a locked facility, but we can provide a higher level of clinical support.

Yes No *If the answer is no, please fully explain why on a separate page and attach with this form.*

Are they able to care for their personal hygiene, able and motivated to participate in the CooperRiis program, able to refrain completely from the use of alcohol and illegal drugs, able to confine cigarette smoking to designated areas, able to function relatively independently without close supervision?

Yes No *If the answer is no, please fully explain why on a separate page and attach with this form.*

II. Current Medications: The applicant must arrive with at least a two-week supply of all current medications. The medications will be dispensed based on this form. If there are ANY changes before the exploratory visit, please update us with a current medications list at the time of the visit.

Medication	Dose	Time Taken	Reason Prescribed

Any PRN medications and for what target symptoms:

Medication	Dose	Time Taken	Reason Prescribed

Previously unsuccessful medications? _____

Is the applicant treatment adherent? If no, explain _____

Complementary Care for the Resident. CooperRiis' program is comprehensive. In addition to providing psychiatric services, psycho-education, life skills programing, and a therapeutic milieu, we incorporate nutritional and dietary planning, physical exercise, and other modalities into the resident's personal recovery plan.
